

The Bitpanda Ecosystem Token (BEST) is your key to getting the most out of Bitpanda. It will offer the growing community of around 1 million Bitpanda users a wide range of rewards and benefits for use on Bitpanda products and services.

### What is BEST?

BEST is the Bitpanda coin, that offers users a wide range of benefits and perks within the Bitpanda ecosystem. BEST is the fuel of the Bitpanda ecosystem, which means that the Bitpanda platform, the Bitpanda Global Exchange and future products like the Bitpanda Launchpad will make heavy use of incorporating BEST and offering users, who hold BEST, exclusive rewards and perks.

### Why should I invest in BEST?

By investing in BEST, you will enjoy a reduction of up to 25% on Bitpanda trading fees, gain priority access to the Bitpanda Launchpad, which will be available later, and benefit from a wide range of benefits and rewards. The more BEST you have, the better your rewards get. BEST is your chance to be part of Bitpanda's vision to become a global player while redefining the rules of investing.

### Bitpanda Global Exchange

Following the IEO, Bitpanda will launch its brand new Exchange targeting professional traders. The Bitpanda Exchange is 100% in-house developed in Vienna and will provide a highly liquid marketplace for crypto-assets. Other digitised asset classes (precious metals etc.) will follow and will be tradable against EUR, BTC and BEST. The architecture of the Exchange is state-of-the-art, both in terms of the code and the security standards.
